

## Socionext Korea Ltd. Appoints New President

New Leader Brings Broad Experiences Ranging from  
SoC Design Engineering to Managing Subsidiary

Seoul, Korea, April 8, 2016 --- Socionext Korea Ltd., a subsidiary of Socionext Inc., has named Satoru Yamaguchi as President effective April 1.

Mr. Yamaguchi joined Fujitsu Limited in 1980, and started his career as a design engineer for microcomputers. During the 35 years with Fujitsu, he also worked as an engineer for system LSI development, and held several senior management positions including President of Fujitsu VLSI Limited, a subsidiary of Fujitsu Semiconductor Limited. In 2015, when Socionext Inc. started operations, he became President of Socionext America Inc. He played a key role in Socionext America's acquisition of Bayside Design Inc. in January 2016, showing that he is also well experienced and knowledgeable in M&A. As new president of Socionext Korea, he is expected to leverage his broad range of expertise to help the company expand its SoC businesses in Korea.

Satoru Yamaguchi  
President, Socionext Korea Ltd.

"There are a lot of world-leading companies in Korea. I am confident that the system LSI businesses based on our cutting edge technologies in Imaging, Network and Computing will make significant contributions to such companies," Mr. Yamaguchi said.
