Socionext Selected for Inclusion in SOMPO Sustainability Index FY2026 for the Second Consecutive Year

[Yokohama, Japan, June 18, 2026] --- Socionext Inc. announced today that it has been selected for inclusion in the SOMPO Sustainability Index, established by Sompo Asset Management Co., Ltd., for the second consecutive year.

The SOMPO Sustainability Index comprises approximately 300 companies recognized for outstanding ESG initiatives. These selections are based on evaluations for the Environmental Management Survey and ESG Management Survey conducted by Sompo Risk Management Inc. The SOMPO Sustainability Index is widely used by pension funds and institutional investors as a benchmark for sustainable investment.

Guided by its mission, "Together with our global partners, we bring innovation to everyone everywhere," Socionext considers sustainability a key management priority. Through its business activities, Socionext is actively addressing environmental and social challenges such as climate change, while engaging with stakeholders to help build a more sustainable society.
