Socionext Selected for Inclusion in Somo Sustainability Index FY 2025

[Yokohama/Japan. June 12, 2025] --- Socionext Inc. announced today that it has been selected for inclusion in the Somo Sustainability Index for fiscal 2025, an index compiled by Somo Risk Management Inc. to recognize companies demonstrating strong sustainability practices.

The Somo Sustainability Index comprises approximately 300 companies recognized for outstanding ESG initiatives. These selections are based on evaluations for the Environmental Management Survey and ESG Management Survey conducted by Somo Risk Management Inc. The Somo Sustainability index is widely used by pension funds and institutional investors as a benchmark for sustainable investment.

Guided by its mission, "Together with our global partners, we bring innovation to everyone, everywhere," Socionext considers sustainability a key management priority. Through its business activities, Socionext is actively addressing environmental and social challenges such as climate change, while engaging with stakeholders to help build a more sustainable society.
